

A close-up photograph of two hands clasped together. The hands are dark-skinned and are shown from the side, with the fingers interlocked. The lighting is dramatic, coming from the sides, which creates bright highlights on the knuckles, fingers, and the bridge of the hands. The background is a deep, dark blue or black, making the glowing highlights stand out. In the center of the hands, the number "8888" is displayed in a large, bold, white font with a slight glow, appearing as if it's part of the hands.

8888
